

REMARKS/ARGUMENTS

In the Response to the non-final Office Action of November 19, 2008, dated March 19, 2009, at Page 10, a typographical or grammatical error was made. It is corrected here:

Applicant respectfully submits that the reference and the art does not disclose or anticipate the elements of the claims; thus, the rejections based on a prima facie case of anticipation must be respectfully withdrawn.

CONCLUSION

Applicant maintains that this application is in condition for allowance, and such disposition is earnestly solicited. Applicant's silence as to the Examiner's comments is not indicative of an acquiescence to the stated grounds of rejection. If the Examiner believes that an interview with the Applicant, either by telephone or in person, would further prosecution of this application, we would welcome the opportunity for such an interview.

It is believed that no other fees are required to ensure entry and consideration of this response.

Respectfully submitted,
